

# CFCM

## Cru Fellowship for Church Multiplication

Exists to multiply church planters and their apostolic teams.  
We are an apostolic-multiplication community.

### Objectives

- Sustainable, vital, multiplying churches
- Ongoing care and leadership development among church planting peers

### Trainings

#### *Year One*

- 8 Online Meetings
- 3 In-person Summits

#### *Year Two+*

- Monthly Online Meetings
- 2 In-person Summits (optional)

### Team

The CFCM Teaching Team includes a diverse group of authentic, servant leaders and practitioners with a wide variety of experiences: Leaders on the team include church planters, strategists, city collaborators, entrepreneurs, pastors, movement leaders, and missiologists from all over the world.

“

I've got new deepening relationships that encourage me. CFCM has given me a way to communicate I did not have before - your approach has given me a roadmap. I am getting my team together. CoJourneyers blew my people away! They really enjoy it. It is turning us around. The Evangelism Planner has helped our team put plans into Cycles of Momentum.
